

HCL Informix Dynamic Server V14.10

LICENSE INFORMATION

The Programs listed below are licensed under the following License Information terms and conditions.

Program Name (Program Number):

HCL Informix Dynamic Server V14.10.FC10 and later releases

The following standard terms apply to Licensee's use of the Program, in addition to those of the HCL Master License Agreement.

Limited use right

HCL grants Licensee a limited right to use the Program. This right is limited to specified level of use, paid for by Licensee as evidenced in an Order. Licensee's use may also be limited to a specified machine, or only as a Supporting Program, or subject to other restrictions. As Licensee has not paid for all of the economic value of the Program, no other use is permitted without the payment of additional fees. In addition, Licensee is not authorized to use the Program to provide commercial IT services to any third party, to provide commercial hosting or timesharing, or to sublicense, rent, or lease the Program unless expressly provided for in the applicable agreements under which Licensee obtains authorizations to use the Program. Additional rights may be available to Licensee subject to the payment of additional fees or under different or supplementary terms. HCL reserves the right to determine whether to make such additional rights available to Licensee.

Prohibited Uses

Licensee may not use or authorize others to use the Program, alone or in combination with other services or products, in support of any of the following high risk activities: design, construction, control, or maintenance of nuclear facilities, mass transit systems, air traffic control systems, automotive control systems, weapons systems, or aircraft navigation or communications, or any other activity where program failure could give rise to a material threat of death or serious personal injury.

Supporting Programs

Licensee is authorized to install and use the Supporting Programs identified below. Licensee is authorized to install and use such Supporting Programs only to support Licensee's use of the Principal Program under this Agreement. The phrase "to support Licensee's use" would only include those uses that are necessary or otherwise directly related to a licensed use of the Principal Program or another Supporting Program. The Supporting Programs may not be used for any other purpose. A Supporting Program may be accompanied by license terms, and those terms, if any, apply to Licensee's use of that Supporting Program. In the event of conflict, the terms in this License Information document supersede the Supporting Program's terms. Licensee

must obtain sufficient entitlements to the Program, as a whole, to cover Licensee's installation and use of all of the Supporting Programs, unless separate entitlements are provided within this License Information document.

Supporting Programs:

HCL Informix Client SDK V4.50

HCL Informix JDBC/Embedded SQL Driver V4.50

Components Not Used for Establishing Required Entitlements

When determining the number of entitlements required for Licensee's installation or use of the Program, the installation or use of the following Program components are not taken into consideration. In other words, Licensee may install and use the following Program components, under the license terms, but these components are not used to determine the number of entitlements required for the Program.

HCL Informix Client SDK (CSDK)

HCL Informix JDBC Driver/Embedded SQL

The following units of measure may apply to Licensee's use of the Program.

["Core"](#) is the unit of measure which the program can be licensed as defined in the support policy.

In addition to the above, the following terms apply to Licensee's use of the Program.

1) Usage Restrictions

The Informix Warehouse Accelerator component is supplied only for use with Named Program. Licensee is prohibited from using the Informix Warehouse Accelerator component in connection with any other software.
